

Egalitarian and Authoritarian Political Leadership effects

Francisco Villarroel-Riquelme (CICS, UDD)

if you had to choose a political leader, which one you follow?

..its Authoritarian or Egalitarian?

How?

Lab-in-the-field experiment on coordination game with a leader

Difficult to achieve goals (difficult and normal) and egalitarian and Authoritarian (2x2 factors)

Expected Results

In difficult environments, people tend to prefer and trust more in authoritarian leaders
